SECOND SUBMISSION OF PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION

Commissioner for Patents:

Applicants first submitted a Petition To Withdraw Holding of Abandonment Based on Failure to Receive Office Action on June 4, 2002. No response has been received. Attached to the original documents are copies of the postcard showing that the original Submission was received by the US Patent and Trademark Office on June 4, 2002, along with the Express Mail receipt. Below are the original arguments made in support of the first Petition. Consideration of this second Petition is hereby requested.

The above-referenced application became abandoned for failure to timely and properly reply to a Notice of Allowance dated December 31, 2001.

The applicants failed to respond to the Notice of Allowance because neither I nor anyone in my law firm received the Notice of Allowance. A search of our docketing records and our file has been performed and the search indicates that the Notice of Allowance was not

received by my law firm. Attached to this correspondence is a copy of our docketing records which shows all due dates and reminders docketed with a base date of December 31, 2001. Also attached is a copy of the file index in which we log in any correspondence to and from the USPTO, which shows that the Notice of Allowance was not received.

Based upon these findings, I hereby request that this file be withdrawn from abandonment and a new Notice of Allowance be issued.

Respectfully submitted,

Massimo Mancuso et al.
